Neither the Issuer, the Guarantor, nor any Arranger or Dealer accepts any responsibility, express or implied, for updating this Information Memorandum and neither the delivery of this Information Memorandum nor any offer or sale made on the basis of the information in this Information Memorandum shall under any circumstances create any implication that this Information Memorandum is accurate at any time subsequent to the date thereof with respect to the Issuer or the Guarantor or that there has been no change in the financial condition or affairs of the Issuer or the Guarantor since the date thereof.

No person is authorised by the Issuer or the Guarantor to give any information or to make any representation not contained in this Information Memorandum and any information or representation not contained therein must not be relied upon as having been authorised.

None of the Arrangers or the Dealers has independently verified the information contained in this Information Memorandum. The information contained in this Information Memorandum is not and should not be construed as a recommendation by the Arrangers, the Dealers, the Issuer or the Guarantor that any recipient should purchase Notes. Each such recipient must make and shall be deemed to have made its own independent assessment and investigation of the financial condition, affairs and creditworthiness of the Issuer and the Guarantor and of the Programme as it may deem necessary and must base any investment decision upon such independent assessment and investigation and not on this Information Memorandum.

None of the Arrangers or the Dealers accepts any liability in relation to this Information Memorandum or its distribution by any other person. This Information Memorandum does not, and is not intended to, constitute an offer or invitation to any person to purchase Notes. The distribution of this Information Memorandum and the offering for sale of Notes or any interest in such Notes or any rights in respect of such Notes, in certain jurisdictions, may be restricted by law. Persons obtaining this Information Memorandum or any Notes or any interest in such Notes or any rights in respect of such Notes are required to inform themselves about and to observe any such restrictions. In particular, but without limitation, such persons are required to comply with the restrictions on offers or sales of Notes and on distribution of this Information Memorandum and other information in relation to the Notes, the Issuer and the Guarantor set out under "*Selling Restrictions*" below.

**THE NOTES AND THE GUARANTEE HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT AND, SUBJECT TO CERTAIN EXCEPTIONS, MAY NOT BE OFFERED, SOLD OR DELIVERED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S).**

No application will be made at any time to list the Notes on any stock exchange. A communication of an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the "FSMA")) received in connection with the issue or sale of any Notes will only be made in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer or the Guarantor.

This Information Memorandum has not been registered as a prospectus with the Monetary Authority of Singapore (the “MAS”). Accordingly, this Information Memorandum and any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Notes may not be circulated or distributed, nor may the Notes be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore other than (i) to an institutional investor under Section 274 of the Securities and Futures Act, Chapter 289 of Singapore (the “SFA”), (ii) to a relevant person pursuant to Section 275(1), or to any person pursuant to Section 275(1A), and in accordance with the conditions specified in Section 275, of the SFA or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

Where the Notes are subscribed or purchased under Section 275 of the SFA by a relevant person which is:

- (1) to an institutional investor or to a relevant person defined in Section 275(2) of the SFA, or to any person arising from an offer referred to in Section 275(1A) or Section 276(4)(i)(B) of the SFA;

## **TAX**

No comment is made or advice given by the Issuer, the Guarantor or any Arranger or Dealer in respect of taxation matters relating to the Notes and each investor is advised to consult its own professional adviser.

A summary of certain Singapore income tax consequences of the purchase, ownership and disposition of the Notes has been included herein, based upon laws, regulations, rulings and decisions now in effect, all of which are subject to change (possibly with retroactive effect). The summary is not to be regarded as advice on the tax position of any investor or of any person acquiring, selling or otherwise dealing with the Notes or on any tax implications arising from the acquisition, sale or other dealings in respect of the Notes. The summary does not purport to be a comprehensive or exhaustive description of all the tax considerations that may be relevant to a decision to acquire, sell or otherwise deal with the Notes and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or financial institutions in Singapore which have been granted the relevant Financial Sector Incentive(s)) may be subject to special rules or tax rates. You should consult your own tax advisor concerning the application of Singapore tax laws to your particular situation as well as any consequences of the acquisition, sale or other dealings in respect of the Notes arising under the laws of any other taxing jurisdiction.

The Notes to be issued from time to time under the Programme during the period from the date of this Information Memorandum to 31 December 2018 are, pursuant to the Income Tax Act, Chapter 134 of Singapore (the “**ITA**”) and the MAS Circular FSD Cir 02/2013 entitled “Extension and Refinement of Tax Concessions for Promoting the Debt Market” issued by the MAS on 28 June 2013, intended to be “qualifying debt securities” for the purposes of the ITA, subject to the fulfilment of certain conditions more particularly described in the section “Certain Singapore Taxation Considerations” herein.

However, there is no assurance that such Notes will enjoy, or continue to enjoy, the tax concessions in connection therewith should the relevant tax laws or MAS circulars be amended or revoked at any time, or if the relevant tax laws are not amended to give legislative effect to the MAS circulars.

### ***Foreign Account Tax Compliance Act***

The U.S. Foreign Account Tax Compliance Act (“**FATCA**”) imposes a new information reporting regime and, potentially, a 30% withholding tax with respect to (i) certain payments from sources within the United States and (ii) foreign passthru payments made to certain non-U.S. financial institutions and other persons that do not comply with FATCA. However, payments on the Notes are not expected to be from sources within the United States and the term “foreign passthru payment” has yet to be defined in the U.S. Treasury Regulations. Furthermore, under current law, such withholding tax on foreign passthru payments will begin on the later of 1 January 2017 or six months after the applicable U.S. Treasury Regulations addressing foreign passthru payments are filed with the U.S. Federal Register. In

addition, any Notes (i) issued prior to 1 July 2014 that are not significantly modified thereafter or (ii) that have a term of 183 days or less, regardless of when issued, generally will not be subject to such withholding tax. Investors may be asked to supply information regarding their status under FATCA to establish an exemption from such withholding tax. The United States and certain non-U.S. governments have, and others are expected to, enter into intergovernmental agreements addressing the implementation of FATCA that may provide rules that supplement or change the application of FATCA in such jurisdictions. If an amount in respect of such withholding tax were to be deducted or withheld from interest, principal or other payments made in respect of the Notes, neither the Issuer, any paying agent nor any other person would, pursuant to the conditions of the Notes, be required to pay additional amounts as a result of the deduction or withholding. As a result, investors may receive less interest or principal than expected.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on U.S. Treasury Regulations and official guidance, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Notes.

#### ***European Union Savings Directive***

Under EC Council Directive 2003/48/EC on the taxation of savings income (the “**EU Savings Directive**”), each Member State (as defined below) is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in that other Member State; however, for a transitional period, Austria and Luxembourg are instead required (unless during that period they elect otherwise) to apply a withholding system in relation to such payments (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld). The rate of such withholding is currently 35%. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments. In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the Directive.

A number of non-EU countries (including Switzerland), and certain dependent or associated territories of certain Member States, have adopted similar measures (either provision of information or transitional withholding (withholding in the case of Switzerland)) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State. In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation

to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

Investors should note that on 13 November 2008, the European Commission published a proposal for amendments to the EU Savings Directive. The proposal included a number of suggested changes, which, if implemented, would amend or broaden the scope of the EU Savings Directive. The European Parliament approved an amended version of this proposal on 24 April 2009. Investors who are in any doubt as to their position should consult their professional advisers.

## INVESTMENT CONSIDERATIONS

### **Factors Relating to the Guarantee**

*The Guarantee is subject to certain limitations and risks. The Issuer has identified in this Information Memorandum (including in the information incorporated by reference herein) a number of factors which are material for the purpose of assessing the Guarantee.*

*Prospective investors should also read the detailed information set out elsewhere in this Information Memorandum and reach their own views prior to making any investment decision.*

***The Guarantor has 15 Business Days from the delivery to it of a Notice of Demand to make payment under the Guarantee. The Issue and Paying Agent is obligated to deliver a Notice of Demand to the Guarantor only if the Issuer fails to pay the amount due on an issuance of Notes on the Second Due Date.***

If, on the Second Due Date of an issuance of Notes, the Issuer fails to pay in full the amount due on the Notes on the Second Due Date, the Guarantor's obligation, under the terms of the Guarantee, is to make payment under the Guarantee within 15 Business Days (as defined in the Guarantee) from the delivery to the Guarantor of a duly completed Notice of Demand (as defined in the Guarantee) for the guaranteed amount to the Issue and Paying Agent for onward payment to the holder of such Notes. The Guarantor is not obligated to make payment under the Guarantee on either the First Due Date or the Second Due Date of the Notes. Further, the Guarantor's obligation to make payment under the Guarantee is only triggered after receipt of a duly completed Notice of Demand from the Issue and Paying Agent which the Issue and Paying Agent is obligated to deliver to the Guarantor if the Issuer fails to pay in full the amount due on the Notes on the Second Due Date. If the Issue and Paying Agent fails to send a Notice of Demand in a timely manner, the payment of guaranteed amounts under the Guarantee may be further delayed. See "*Maturities of the Notes*" for further information on payment on the Notes and "*Appendix 1 – Summary of Guarantee of the Programme*" for a summary description of the Guarantee.

The amount due on each Note will be paid in full on the First Due Date, unless the maturity of such Note is extended to the Second Due Date as described below, in which case the following will be paid in full on the Second Due Date:

(a) in the case of a Note issued at a discount, (x) the face amount of such Note plus (y) an additional payment in respect of interest, which interest will accrue on the face amount of such Note during the period from (and including) the First Due Date to (but excluding) the Second Due Date and will be calculated at the same rate used to determine the Interest Factor (as defined below) on such Note plus 1.5%, and

(b) in the case of a fixed rate interest bearing Note, (x) the face amount of such Note plus (y) any interest (including any interest on interest) on such Note payable on the First Due Date, plus (z) an additional payment in respect of interest, which interest will accrue on the face amount of such Note during the period from (and including) the First Due Date to (but excluding) the Second Due Date and will be calculated at the same rate stated on such Note plus 1.5%.

The additional payment in respect of interest for the period from (and including) the First Due Date to (but excluding) the Second Due Date described above or, if payment is not made on the Second Due Date, to (but excluding) the date payment of the amount due on each Note is made (with respect to which such further interest shall be calculated in the manner described above from (and including) the Second Due Date to (but excluding) the date of payment), is referred to as the “**Extension Payment**”. The “**Interest Factor**” of a Note issued at a discount is the discount represented by the difference between the face amount of a Note and the offering price of such Note.

If, on the First Due Date of an issuance of Notes, the Issuer is unable to, or the Issue and Paying Agent determines that there are insufficient funds available to, pay in full on such First Due Date the face amount of such Notes plus, in the case of interest bearing Notes, any interest (including any interest on interest) on such Notes payable on such First Due Date, then (a) no amount will be payable in respect of such Notes on the First Due Date, (b) the maturity of such Notes will be extended to the Second Due Date thereof, (c) no amounts will be paid in respect of such Notes until the Second Due Date and (d) the face amount of such Notes and any interest (including any interest on interest) due and payable thereon and the Extension Payment will be paid on the Second Due Date. For the avoidance of doubt, failure

to make such payment on the First Due Date shall not be considered a default on the payment of the Notes.

If the maturity of an issuance of Notes is extended as described above and, on the Second Due Date of an issuance of Notes, the Issuer is unable to, or the Issue and Paying Agent determines that there are insufficient funds available to, pay in full on the Second Due Date the face amount of such Notes plus, in the case of interest bearing Notes, any interest (including any interest on interest) on such Notes payable on the First Due Date, and the applicable Extension Payment, then the Issue and Paying Agent will on the Second Due Date make a demand on the Guarantor in accordance with the terms thereof for the face amount of such Notes plus, in the case of interest bearing Notes, any interest (including any interest on interest) on such Notes payable on the First Due Date, and the applicable Extension Payment, and the Guarantor, acting in accordance with the terms of the demand made on the Guarantor, will be obligated to pay or cause to be paid to the Issue and Paying Agent, and the Issue and Paying Agent will pay or cause to be paid to the holders of such Notes from the funds obtained from the Guarantor under the Guarantee, the full face amount of such Notes plus, in the case of interest bearing Notes, any interest (including any interest on interest) on such Notes payable on the First Due Date, and the applicable Extension Payment, in accordance with the terms of the Guarantee.

In the case of fixed rate interest bearing Notes, if any payment of interest in respect of such Notes falling due for payment is not paid on the required interest payment date, interest shall continue to accrue on the face amount of such Notes, and shall also accrue on the unpaid interest amount at the interest rate stated upon such Note. If any payment of interest in respect of such Notes falling due for payment prior to the First Due Date remains unpaid on the fifteenth day after falling so due, such fifteenth day shall be deemed to be the First Due Date, and the Issuer shall be obligated to make payment on such Notes on the First Due Date in the amount described above, subject to the terms and conditions of such Notes, including the extension of the payment date under the circumstances described above.

Under and subject to the terms of the Guarantee, the Guarantor unconditionally and irrevocably undertakes to each Creditor (as defined in the Guarantee) that, whenever the Issuer does not pay any amount of Guaranteed Obligations (as defined in the Guarantee) on the date when it first falls due for payment under the Relevant Guaranteed Document (as defined in the Guarantee), it will, within 15 Business Days (as defined in the Guarantee) of delivery to the Guarantor of a duly completed Notice of Demand (as defined in the Guarantee) for that amount, pay that amount to that Creditor as if the Guarantor were the principal obligor and not merely a surety in respect of that amount. See “*Appendix 1 – Summary of Guarantee of the Programme*” for a summary description of the Guarantee. The Issue and Paying Agent is obligated to deliver a Notice of Demand to the Guarantor on the Second Due Date only if the Issuer is unable to, or the Issue and Paying Agent determines that there are insufficient funds available to, pay in full on the Second Due Date the face

amount of such Notes plus, in the case of interest bearing Notes, any interest on such Notes payable on the First Due Date, and the applicable Extension Payment.

BY PURCHASING A NOTE, THE HOLDER AND BENEFICIAL OWNER(S) OF SUCH NOTE SHALL BE DEEMED TO HAVE (I) APPOINTED THE ISSUE AND PAYING AGENT AS ITS AGENT FOR PURPOSES OF MAKING ANY DEMAND ON THE GUARANTEE (AND WAIVED ANY CONFLICT OF INTEREST THAT MAY ARISE FROM THE ISSUE AND PAYING AGENT ACTING IN SUCH CAPACITY) AND (II) TO THE EXTENT THAT THE ISSUE AND PAYING AGENT SHALL BE ABLE TO COMPLY WITH, OR HAS COMPLIED WITH, ITS OBLIGATION TO MAKE A DEMAND ON THE GUARANTEE AS DESCRIBED IN THE PRECEDING PARAGRAPHS, WAIVED ITS RIGHTS TO MAKE SUCH DEMAND UNDER THE GUARANTEE. IN THE EVENT THE ISSUE AND PAYING AGENT FAILS TO MAKE A DEMAND ON THE GUARANTEE IN ACCORDANCE WITH ITS OBLIGATIONS, EACH HOLDER AND/OR BENEFICIAL OWNER OF SUCH NOTE SHALL BE ABLE TO EXERCISE ITS RIGHT TO MAKE A DEMAND ON THE GUARANTEE DIRECTLY IN ACCORDANCE WITH THE TERMS THEREOF, WHICH MUST BE MADE NOT LATER THAN THE CLAIMS DEADLINE (AS DEFINED IN THE GUARANTEE). IF THE MONEYS RECEIVED PURSUANT TO ANY DEMAND ON THE GUARANTEE ARE LESS THAN THE FULL AMOUNT DUE, SUCH MONEYS SHALL BE PAID PRO RATA TO THE HOLDERS AND/OR BENEFICIAL HOLDERS OF THE RELEVANT NOTES. THE HOLDER AND BENEFICIAL OWNER(S) OF SUCH NOTES SHALL ALSO BE DEEMED TO HAVE AGREED THAT UNDER NO CIRCUMSTANCES SHALL THE ISSUE AND PAYING AGENT BE RESPONSIBLE OR LIABLE FOR ENFORCING THE OBLIGATIONS OF THE GUARANTOR UNDER THE TERMS OF THE GUARANTEE AND THE RELEVANT CREDITOR NOMINATION LETTER.

## **RATINGS**

The Programme has been assigned a short-term rating of A-1+ by Standard & Poor's and Prime-1 by Moody's. Singapore is currently assigned a long-term and short-term local and foreign currency issuer rating of "AAA" and "A1+", respectively, by Standard & Poor's and "Aaa" and "P 1", respectively, by Moody's. Any credit ratings accorded the Programme or Singapore are not a recommendation to purchase, hold or sell the Notes in as much as such ratings do not comment as to market price or suitability for investors. Credit ratings are subject to revision, suspension or withdrawal at any time by the assigning ratings agency. Ratings agencies may also revise or replace entirely the methodology applied to assign credit ratings. There can also be no assurance that such ratings will remain in effect for any given period or that the ratings will not be lowered or withdrawn entirely by the ratings agencies in the future if, in their judgment, circumstances so warrant or if a different methodology is applied to such ratings.

## **CERTAIN SINGAPORE TAXATION CONSIDERATIONS**

In relation to Singapore taxation, the statements below are general in nature and are based on certain aspects of current tax laws in Singapore and administrative guidelines and circulars issued by the MAS in force as at the date of this Information Memorandum and are subject to any changes in such laws, guidelines or circulars, or the interpretation of those laws, guidelines or circulars, occurring after such date, which changes could be made on a retroactive basis. Neither these statements nor any other statements in this Information Memorandum are intended or are to be regarded as advice on the tax position of any holder of the Notes or of any person acquiring, selling or otherwise dealing in the Notes or on any tax implications arising from the acquisition, sale or other dealings in respect of the Notes. The statements made herein do not purport to be a comprehensive or exhaustive description of all the tax considerations that may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or financial institutions in Singapore which have been granted the relevant Financial Sector Incentive(s)) may be subject to special rules or tax rates. Prospective holders of the Notes are advised to consult their own tax advisors as to the Singapore or other tax consequences of the acquisition, ownership of or disposal of the Notes, including, in particular, the effect of any foreign, state or local tax laws to which they are subject. It is emphasised that none of the Issuer, the Guarantor and any other persons involved in the Programme accepts responsibility for any tax effects or liabilities resulting from the subscription for, purchase, holding or disposal of the Notes.

### ***Interest and other payments***

Subject to the following paragraphs, under Section 12(6) of the Income Tax Act, Chapter 134 of Singapore (“**ITA**”), the following payments are deemed to be derived from Singapore:

- (a) any interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee or service relating to any loan or indebtedness which is (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore) or (ii) deductible against any income accruing in or derived from Singapore; or
- (b) any income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Such payments, where made to a person not known to the paying party to be a resident in Singapore for tax purposes, are generally subject to withholding tax in Singapore. The rate at which tax is to be withheld for such payments (other than those subject to the 15% final withholding tax described below) to non-resident persons (other than non-resident individuals) is currently 17%. The applicable rate for non-resident individuals is currently

20%. However, if the payment is derived by a person not resident in Singapore otherwise than from any trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15%. The rate of 15% may be reduced by applicable tax treaties.

However, certain Singapore-sourced investment income derived by individuals from financial instruments is exempt from tax, including:

- (a) interest from debt securities derived on or after 1 January 2004;
- (b) discount income (not including discount income arising from secondary trading) from debt securities derived on or after 17 February 2006; and
- (c) prepayment fee, redemption premium and break cost from debt securities derived on or after 15 February 2007,

except where such income is derived through a partnership in Singapore or is derived from the carrying on of a trade, business or profession.

As the Program as a whole is arranged by Financial Sector Incentive (Bond Market) Company(ies) (as defined in the ITA) prior to 1 January 2014 and by Financial Sector Incentive (Bond Market) Companies, Financial Sector Incentive (Capital Market) Companies or Financial Sector Incentive (Standard Tier) Companies (as defined in the ITA) from 1 January 2014, any tranche of the Notes (the “**Relevant Notes**”) issued as debt securities under the Programme during the period from the date of this Information Memorandum to 31 December 2018 would be, pursuant to the ITA and the MAS Circular FSD Cir 02/2013 entitled “Extension and Refinement of Tax Concessions for Promoting the Debt Market” issued by the MAS on 28 June 2013 (the “**MAS Circular**”), qualifying debt securities (“**QDS**”) for the purposes of the ITA, to which the following treatment shall apply:

- subject to certain conditions having been fulfilled (including the furnishing of a return on debt securities for the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the MAS and such other relevant authorities as may be prescribed and the inclusion by the Issuer in all offering documents relating to the Relevant Notes of a statement to the effect that where interest, discount income, prepayment fee, redemption premium or break cost from the Relevant Notes is derived by a person who is not resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption for qualifying debt securities shall not apply if the non-resident person acquires the Relevant Notes using the funds and profits of that person’s operations through the Singapore permanent establishment), interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost (collectively, the “**Qualifying Income**”) from the Relevant Notes, paid by the Issuer and derived by a holder of the Relevant Notes who is not resident in Singapore

and who (i) does not have any permanent establishment in Singapore or (ii) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire the Relevant Notes are not obtained from such person's operation through a permanent establishment in Singapore, are exempt from Singapore tax;

- subject to certain conditions having been fulfilled (including the furnishing of a return on debt securities for the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the MAS and such other relevant authorities as may be prescribed), Qualifying Income from the Relevant Notes paid by the Issuer and derived by any company or a body of persons in Singapore is subject to income tax at a concessionary rate of 10% (except for holders of the relevant Financial Sector Incentive(s) who may be taxed at different rates); and
- subject to:
  - (i) the Issuer including in all offering documents relating to the Relevant Notes a statement to the effect that any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Relevant Notes is not exempt from tax shall declare and include such income in a return of income made under the ITA; and
  - (ii) the furnishing to the MAS and such other relevant authorities as may be prescribed of a return on debt securities for the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require,

payments of Qualifying Income derived from the Relevant Notes are not subject to withholding of tax by the Issuer.

Notwithstanding the foregoing:

- if during the primary launch of any tranche of Relevant Notes, such Relevant Notes are issued to fewer than four persons and 50% or more of the issue of such Relevant Notes is beneficially held or funded, directly or indirectly, by related parties of the Issuer, such Relevant Notes would not qualify as QDS; and
- even though a particular tranche of Relevant Notes are QDS, if, at any time during the tenure of such tranche of Relevant Notes, 50% or more of the issue of such Relevant Notes is held beneficially or funded, directly or indirectly, by any related party(ies) of the Issuer, Qualifying Income derived from such Relevant Notes held by:
  - (i) any related party of the Issuer; or
  - (ii) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption or the concessionary rate of tax described in the immediately preceding paragraphs.

The term “**related party**”, in relation to a person, means any other person who, directly or indirectly, controls that person, or is controlled, directly or indirectly, by that person, or where he and that other person, directly or indirectly, are under the control of a common person.

The terms “**break cost**”, “**prepayment fee**” and “**redemption premium**” are defined in the ITA as follows:

“break cost”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by any loss or liability incurred by the holder of the securities in connection with such redemption;

“prepayment fee”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by the terms of the issuance of the securities; and

“redemption premium”, in relation to debt securities and qualifying debt securities, means any premium payable by the issuer of the securities on the redemption of the securities upon their maturity.

References to “break cost”, “prepayment fee” and “redemption premium” in this Singapore tax disclosure have the same meaning as defined in the ITA.

Where interest, discount income, prepayment fee, redemption premium or break cost (i.e. the Qualifying Income) is derived from the Relevant Notes by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption for QDS under the ITA (as mentioned above) shall not apply if such person acquires such Relevant Notes using the funds and profits of such person’s operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost (i.e. the Qualifying Income) derived from the Relevant Notes is not exempt from tax is required to declare and include such income in a return of income made under the ITA.

### ***Capital gains***

Any gains considered to be in the nature of capital made from the sale of the Notes will not be taxable in Singapore. However, any gains from the sale of the Notes derived by any person which are gains from any trade, business, profession or vocation carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Holders of the Notes who apply or who are required to apply Singapore Financial Reporting Standard 39 — Financial Instruments: Recognition and Measurement (“**FRS 39**”) for Singapore income tax purposes may be required to recognise gains or losses (not being gains

or losses in the nature of capital) on the Notes, irrespective of disposal, in accordance with FRS 39.

Please see the section below on “*Adoption of FRS 39 treatment for Singapore income tax purposes*”.

***Adoption of FRS 39 treatment for Singapore income tax purposes***

The Inland Revenue Authority of Singapore has issued a circular entitled “Income Tax Implications Arising from the Adoption of FRS 39 – Financial Instruments: Recognition and Measurement” (the “**FRS 39 Circular**”). The ITA has since been amended to give effect to the FRS 39 Circular.

The FRS 39 Circular generally applies, subject to certain “opt-out” provisions, to taxpayers who are required to comply with FRS 39 for financial reporting purposes.

Holders of the Notes who may be subject to the tax treatment under the FRS 39 Circular should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding or disposal of the Notes.

***Estate duty***

Singapore estate duty has been abolished with respect to all deaths occurring on or after 15 February 2008.

Terms used in this paragraph have the meanings given to them by Regulation S.

## **APPENDICES**

Appendix 1 – Summary of Guarantee of the Programme

Appendix 2 – Forms of Notes

## APPENDIX 1 – SUMMARY OF GUARANTEE OF THE PROGRAMME

The following is a summary of the provisions of the guarantee dated 1 February 2013 and entered into by the Guarantor (the “**Guarantee**”). The summary does not purport to be a comprehensive or exhaustive description of all provisions of the Guarantee. Prospective holders of the Notes are advised that a copy of the Guarantee is available for inspection at the registered office of the Issuer and at the specified offices of the Issue and Paying Agent for the time being in London. Words and expressions defined in the Guarantee shall have the same meanings where used in this summary unless the context otherwise requires or unless otherwise stated.

Under and subject to the terms of the Guarantee, the Guarantor unconditionally and irrevocably:

- (a) guarantees to each Creditor the due and punctual payment of all present and future payments of principal sums, interest on principal sums and interest owing on such interest owing by the Issuer to that Creditor under the Relevant Guaranteed Documents (the “**Guaranteed Obligations**”); and
- (b) undertakes to each Creditor that, whenever the Issuer does not pay any amount of Guaranteed Obligations on the date when it first falls due for payment under the Relevant Guaranteed Document, it will, within 15 Business Days of delivery to the Guarantor of a duly completed Notice of Demand for that amount, pay that amount to that Creditor as if the Guarantor were the principal obligor and not merely a surety in respect of that amount.

For information on how demand and payment under the Guarantee shall operate under the Programme, please see the section entitled “*Maturities of the Notes*” in this Information Memorandum.

Each Creditor obtains the benefit of the Guarantee in respect of the Notes by way of the applicable Creditor Nomination Letter issued by the Guarantor which, among other matters, shall:

- (a) designate the Issue and Paying Agent and the Holders of the relevant Notes as “Creditors” having the benefit of the Guarantee;
- (b) designate the documents relating to such Notes (including the relevant Notes and the Deed of Covenant) as “**Guaranteed Documents**”;
- (c) specify the Final Claim Date (such date being not more than three years after the final maturity date for principal sums for the relevant Notes). If a Creditor makes a claim for payment of any amount under the Guarantee after the Final Claim Date or after 30 June 2052, whichever is earlier, the Guarantor shall not be liable to pay that amount under the Guarantee; and

- (d) specify the aggregate limit of the Guaranteed Obligations recoverable by the Creditors under the Guarantee in respect of the Relevant Guaranteed Documents, including aggregate sub-limits in respect of principal sums and interest (including interest on overdue interest) recoverable.

The Guarantor may designate (i) holders of other debt instruments, (ii) other lenders, financiers or other providers of loans or any other credit or liquidity facilities to the Issuer as Creditors, and (iii) other Agents or Trustees, as Creditors under other Creditor Nomination Letters. The total amount recoverable by all Creditors from the Guarantor under the Guarantee in respect of all Guaranteed Documents is limited to:

- (a) an aggregate amount of US\$2,300,000,000 in respect of principal sums; and
- (b) an aggregate amount of US\$1,600,000,000 in respect of interest (including interest on overdue interest),

combining to make an overall aggregate guaranteed limit of US\$3,900,000,000 for both principal and interest payable under all Guaranteed Documents entered into between all Creditors and the Issuer. Notwithstanding the overall guarantee limit under the Guarantee, as between the Guarantor and a Creditor, the total limit of the Guaranteed Obligations recoverable by that Creditor from the Guarantor under the Guarantee in connection with any Relevant Guaranteed Document shall be the amount set out in the applicable Creditor Nomination Letter. Notwithstanding that the Issuer has covenanted in the Dealer Agreement to ensure the Guaranteed Obligations do not exceed these limits, in the event that the total amounts recovered by other Creditors under the Guarantee nears or exceeds any of the above limits, Noteholders may not, or will not, be able to recover the full amount of unpaid principal of, and interest on, the relevant Notes under the Guarantee and may not, or will not, be able to recover any such principal or interest at all.

For information on risks relating to the Guarantee, please see the section entitled “*Investment Considerations — Factors relating to the Guarantee*” in each of this Information Memorandum and the MTN Offering Circular which is incorporated by reference in this Information Memorandum.

In order to claim under the Guarantee, a Creditor must deliver a duly completed Notice of Demand to the Guarantor in the form set out in the Guarantee. All notices, consents, claims and other communications under the Guarantee must be made by the Issue and Paying Agent (on behalf of the Noteholders) and no Noteholder may issue any notice, consent, claim or other communications or make any claim directly to the Guarantor unless:

- (a) the Issue and Paying Agent, having become obliged under the Relevant Guaranteed Documents to issue such notice, consent, claim or other communication or take any other step towards enforcing payment of any Guaranteed Obligations, fails to do so within a reasonable period and such failure is continuing;

- (b) the Issue and Paying Agent has resigned or is otherwise no longer acting as agent and no successor Issue and Paying Agent has been appointed in its place; or
- (c) otherwise provided under the applicable Creditor Nomination Letter provided in respect of Notes issued under the Programme.

The Guarantee does not contain a gross-up obligation, meaning that, in circumstances where payments made by the Guarantor to a Creditor under the Guarantee are subject to withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature, no additional amounts will be payable by the Guarantor to the Issue and Paying Agent (or the Noteholders, as the case may be) and the Issue and Paying Agent (or the Noteholders, as the case may be) will receive such payments net of any such taxes, duties, assessments or governmental charges.

Any Notes issued after 30 September 2032 will not have the benefit of the Guarantee. The Guarantee will terminate on 30 September 2052.

The Guarantee is governed by, and shall be construed in accordance with, the laws of Singapore and any dispute arising out of the Guarantee or the applicable Creditor Nomination Letter in respect of Notes issued under the Programme will be subject to the exclusive jurisdiction of the courts of Singapore.

A copy of the applicable Creditor Nomination Letter will be available for inspection by the Noteholders during normal business hours at the registered office of the Issuer and at the specified offices of the Issue and Paying Agent for the time being in London.

All such payments shall be made in accordance with an agency agreement dated 16 June 2014 between the Issuer and the issue and paying agent referred to therein (the “**Issue and Paying Agent**”), as may be amended, restated, supplemented or replaced from time to time, a copy of which is available for inspection at the offices of the Issue and Paying Agent at 40th Floor, One Canada Square, London, E14 5AL, United Kingdom subject to and in accordance with the terms and conditions set forth below. The Issuer undertakes that, so long as the Notes remain outstanding, it will ensure that, should it maintain a paying agent in a member state of the European Union, such paying agent shall be in a member state of the European Union that is not be obliged to withhold or deduct tax pursuant to the European Union Council Directive 2003/48/EC on the taxation of savings income (the “**EU Savings Tax Directive**”), or any law implementing, or complying with or introduced in order to conform to, such directive.

Notwithstanding the foregoing, presentation and surrender of this Global Note shall be made outside the United States and no amount shall be paid by transfer to an account in the United States, or mailed to an address in the United States. In the case of a Global Note denominated in US Dollars, payments shall be made by transfer to an account denominated in US Dollars in the principal financial centre of any country outside of the United States that the Issuer or the Issue and Paying Agent so chooses.

2. This Global Note is issued in representation of an issue of Notes in the above-mentioned aggregate Nominal Amount.

3. All payments made by or on behalf of the Issuer under or in respect of this Global Note shall be made without set-off, counterclaim, fees, liabilities or similar deductions and free and clear of, and without deduction or withholding for or on account of, taxes, levies, duties, impost

assessments or charges (including penalties and interest and any other additions thereto) of any nature (“**Taxes**”), unless the withholding or deduction of such Taxes is then required by law (including under FATCA (as defined herein)). If any deduction or withholding for or on account of Taxes imposed, levied, collected, withheld or assessed by or on behalf of Singapore or any political subdivision or any authority thereof or therein having power to tax (a “**Tax Jurisdiction**”), will at any time be required to be made from any payments made by or on behalf of the Issuer under or in respect of this Global Note, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer shall pay such additional amounts as shall be necessary in order that the net amounts received after such deduction or withholding shall equal the amount which would have been receivable hereunder in the absence of such deduction or withholding, except that no such additional amounts shall be payable with respect to this Global Note for or on account of any Taxes, to the extent such Taxes are imposed:

- (a) as a result of this Global Note being presented for payment in Singapore;
- (b) as a result of the holder having some connection with Singapore other than the mere acquisition, ownership or holding of this Global Note (including, without limitation, the holder being a resident of or a permanent establishment in Singapore) or where the holding or deduction could be avoided by the holder making a declaration or any other statement including, but not limited to, a declaration of residence or non-residence or other similar claim for exemption to the appropriate authority which is required or imposed by a statute, treaty, regulation or administrative practice of the Tax Jurisdiction as a precondition to exemption from all Taxes which such holder is legally capable and competent of making but fails to do so;
- (c) on a payment to an individual pursuant to the EU Savings Tax Directive or any law implementing or complying with, or introduced in order to conform to, such directive;
- (d) as a result of this Global Note being presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting this Global Note to another paying agent in a Member State of the European Union;
- (e) as a result of this Global Note being presented for payment more than 30 days after the First Due Date or, if applicable, the Second Due Date, or the relevant Interest Payment Date or (in any case) the date on which payment hereof is duly provided for, whichever occurs later, (where presentation is required) except to the extent that the holder would have been entitled to such additional amounts if it had presented this Global Note on the last day of such period of 30 days; or
- (f) pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted

pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (“**FATCA**”).

4. The Nominal Amount of this Global Note together (in any case) with interest (including any interest on interest) (if any) thereon at the rate and at the times (if any) specified herein will be paid in full on the First Due Date, unless the maturity of this Global Note is extended to the Second Due Date as described in paragraph 5 below, in which case the following will be paid in full on the Second Due Date:

- (a) if this is a Global Note issued at a discount, (x) the Nominal Amount plus (y) an additional payment in respect of interest, which interest will accrue on the Nominal Amount during the period from (and including) the First Due Date to (but excluding) the Second Due Date and will be calculated at the same rate used to determine the Interest Factor (as defined below) on this Global Note plus 1.5%, and
- (b) if this is a fixed rate interest bearing Global Note, (x) the Nominal Amount plus (y) any interest (including any interest on interest) on this Global Note payable on the First Due Date, plus (z) an additional payment in respect of interest, which interest will accrue on the Nominal Amount during the period from (and including) the First Due Date to (but excluding) the Second Due Date and will be calculated at the same rate stated on this Global Note plus 1.5%.

The additional payment in respect of interest for the period from (and including) the First Due Date to (but excluding) the Second Due Date described above or, if payment is not made on the Second Due Date, to (but excluding) the date payment of the amount due on this Global Note is made (with respect to which further interest shall be calculated in the manner described above from (and including) the Second Due Date to (but excluding) the date of payment), is referred to as the “**Extension Payment**”. The “**Interest Factor**”, if this is a Global Note issued at a discount, is the discount represented by the difference between the Nominal Amount and the offering price of this Global Note.

5. If, on the First Due Date, the Issuer is unable to, or the Issue and Paying Agent determines that there are insufficient funds available to, pay in full on such First Due Date the Nominal Amount plus, if this is an interest bearing Global Note, any interest (including any interest on interest) on this Global Note payable on such First Due Date, then (a) no amount will be payable in respect of this Global Note on the First Due Date, (b) the maturity of this Global Note will be extended to the Second Due Date thereof, (c) no amounts will be paid in respect of this Global Note until the Second Due Date and (d) the Nominal Amount of this Global Note and any interest (including any interest on interest) due and payable thereon and the Extension Payment will be paid on the Second Due Date. For the avoidance of doubt, failure to make such payment on the First Due Date shall not be considered a default on the payment of this Global Note.

6. If the maturity of this Global Note is extended to the Second Due Date as provided in paragraph 5 and, on the Second Due Date, the Issuer is unable to, or the Issue and Paying Agent determines that there are insufficient funds available to, pay in full on the Second Due Date the Nominal Amount plus, if this is an interest bearing Global Note, any interest (including any

interest on interest) on this Global Note payable on the First Due Date, and the applicable Extension Payment, then the Issue and Paying Agent will on the Second Due Date make a demand on the Guarantee (as defined below) in accordance with the terms thereof for the Nominal Amount plus, if this is an interest bearing Global Note, any interest (including any interest on interest) on this Global Note payable on the First Due Date, and the applicable Extension Payment, and the Guarantor, acting in accordance with the terms of the demand made on the Guarantee, will be obligated to pay or cause to be paid to the Issue and Paying Agent, and the Issue and Paying Agent will pay or cause to be paid to the holders of this Global Note from the funds obtained from the Guarantor under the Guarantee, the full Nominal Amount plus, if this is an interest bearing Global Note, any interest (including any interest on interest) on this Global Note payable on the First Due Date, and the applicable Extension Payment, in accordance with the terms of the Guarantee.

7. By purchasing this Global Note, or an interest in this Global Note, as the case may be, the holder and beneficial owner(s) of this Global Note shall be deemed to have (i) appointed the Issue and Paying Agent as its agent for purposes of making any demand on the Guarantee (and waived any conflict of interest that may arise from the Issue and Paying Agent acting in such capacity) and (ii) to the extent that the Issue and Paying Agent shall be able to comply with, or has complied with, its obligation to make a demand on the Guarantee as described in the preceding paragraphs, waived its rights to make such demand under the Guarantee. In the event the Issue and Paying Agent fails to make a demand on the Guarantee in accordance with its obligations, each holder and/or beneficial owner(s) of this Global Note shall be able to exercise its right to make a demand on the Guarantee directly in accordance with the terms thereof, which must be made not later than the Claims Deadline (as defined in the Guarantee). If the moneys received pursuant to any demand on the Guarantee are less than the full amount due, such moneys shall be paid *pro rata* to the holders and/or beneficial owners of this Global Note. The holder and beneficial owner(s) of this Global Note shall also be deemed to have agreed that under no circumstances shall the Issue and Paying Agent be responsible or liable for enforcing the obligations of the Guarantor under the terms of the Guarantee and the relevant Creditor Nomination Letter.

8. If the First Due Date or, if applicable, the Second Due Date or the relevant Interest Payment Date, is not a Payment Business Day (as defined herein) payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day (unless that date falls more than 364 days after the Issue Date, in which case payment shall be made on the immediately preceding Payment Business Day) and neither the bearer of this Global Note nor the holder or beneficial owner of any interest herein or rights in respect hereof shall be entitled to any interest or other sums in respect of such postponed payment.

As used in this Global Note:

**“Payment Business Day”** means any day other than a Saturday or Sunday which is both (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the relevant place of presentation, and (B) either (i) if the above- mentioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets

settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (ii) if the above-mentioned Specified Currency is euro, a day which is a TARGET2 Business Day; and

“**TARGET2 Business Day**” means a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System, or any successor thereto, is operating credit or transfer instructions in respect of payments in euro;

provided that if the Issue and Paying Agent determines with the agreement of the Issuer that the market practice in respect of euro denominated internationally offered securities is different from that specified above, the above shall be deemed to be amended so as to comply with such market practice and the Issue and Paying Agent shall procure that a notice of such amendment is published not less than 15 days prior to the date on which any payment in euro falls due to be made in such manner as the Issue and Paying Agent may determine.

9. The payment obligation of the Issuer represented by this Global Note constitutes and at all times shall constitute a direct and unsecured obligation of the Issuer ranking at least *pari passu* with all present and future unsecured and unsubordinated indebtedness of the Issuer other than obligations preferred by mandatory provisions of law applying to companies generally.

10. This Global Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof free and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.

11. This Global Note is issued in respect of an issue of Notes of the Issuer and is exchangeable in whole (but not in part only) for duly executed and authenticated bearer Notes in definitive form (whether before, on or, subject as provided below, after the First Due Date or, if applicable, the Second Due Date):

- (a) if the clearing system(s) in which this Global Note is held at the relevant time is closed for a continuous period of 14 days or more (other than by reason of weekends or public holidays statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (b) if default is made in the payment of any amount payable in respect of this Global Note on the Second Due Date.

Upon presentation and surrender of this Global Note between 9:30 a.m. to 4:00 p.m. Monday to Friday, except public holidays, (in the country in which the Issue and Paying Agent’s office is located) to the Issuer at the offices of the Issue and Paying Agent (or to any other person or at any other office outside the United States as may be designated in writing by the Issuer to the bearer), the Issue and Paying Agent, as issue agent, shall authenticate and deliver, in exchange for this Global Note, bearer definitive notes denominated in the above-mentioned Specified Currency in an aggregate nominal amount equal to the Nominal Amount of this Global Note.

12. If, upon any such default and following such surrender, definitive Notes are not issued in full exchange for this Global Note before 5.00 p.m. (London time) on the thirtieth day after surrender, this Global Note (including the obligation hereunder to issue definitive notes) will become void and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under a Deed of Covenant dated 16 June 2014 (as amended, re-stated or supplemented as of the date of issue of the Notes) entered into by the Issuer).

13. This Global Note has the benefit of a guarantee issued by The Government of Singapore on 1 February 2013 (the “**Guarantee**”), copies of which are available for inspection during normal business hours at the offices of the Issue and Paying Agent referred to above.

14. If this is an interest bearing Global Note, then:

- (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Global Note falling due for payment prior to the above-mentioned First Due Date remains unpaid on the fifteenth day after falling so due, such fifteenth day shall be deemed to be the First Due Date, and the amounts described in paragraph 4 shall be due and payable on such date, subject to the terms and conditions, including the provision on the extension of payment date set forth in paragraph 5, of this Global Note;
- (b) upon each payment of interest (if any) prior to the First Due Date in respect of this Global Note, the Schedule hereto shall be duly completed by the Issue and Paying Agent to reflect such payment; and
- (c) if no Interest Payment Dates are specified on the face of this Global Note, the Interest Payment Date shall be the First Due Date, subject to the terms and conditions, including the provision on the extension of payment date set forth in paragraph 5, of this Global Note.

15. If this is a fixed rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:

- (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the First Due Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days at the above- mentioned Interest Rate with the resulting figure being rounded to the nearest amount of the above-mentioned Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);
- (b) if any payment of interest in respect of this Global Note falling due for payment is not paid on the required Interest Payment Date, interest shall continue to accrue on the face amount of such Notes, and shall also accrue on the unpaid interest amount at the interest rate stated upon such Note;

- (c) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an “**Interest Period**” for the purposes of this paragraph; and
- (d) if the payment period is extended to the Second Due Date under the circumstances set forth in paragraph 5 above, the final payment amount, including interest accumulated, shall be the amount as calculated per paragraph 4 above.

16. If the proceeds of this Global Note are accepted in the United Kingdom, the Principal Amount or Minimum Redemption Amount (as applicable) shall be not less than £200,000 (or the equivalent in any other currency).

17. Instructions for payment must be received at the offices of the Issue and Paying Agent referred to above together with this Global Note as follows:

- (b) if this Global Note is denominated in euros, United States dollars, Canadian dollars or Sterling, on or prior to the relevant payment date; and
- (c) in all other cases, at least one Business Day prior to the relevant payment date.

As used in this paragraph, “**Business Day**” means:

- (i) a day other than a Saturday or Sunday on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the relevant place of presentation; and
- (ii) in the case of payments in euro, a TARGET Business Day and, in all other cases, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre in the country of the above-mentioned Specified Currency.

18. This Global Note shall not be validly issued unless manually authenticated by the Issue and Paying Agent as issue agent.

The English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Global Note (including a dispute regarding the existence, validity or

All such payments shall be made in accordance with an agency agreement dated 16 June 2014 between the Issuer and the issue and paying agent referred to therein (the “**Issue and Paying Agent**”), as may be amended, restated, supplemented or replaced from time to time, a copy of which is available for inspection at the offices of the Issue and Paying Agent at 40th Floor, One Canada Square, London, E14 5AL, United Kingdom subject to and in accordance with the terms and conditions set forth below. All such payments shall be made upon presentation and, if applicable, surrender of this Definitive Note at the office of the Issue and Paying Agent referred to above by transfer to an account denominated in the above-mentioned Specified Currency maintained by the bearer with a bank in the principal financial centre in the country of the Specified Currency or, in the case of a Definitive Note denominated or payable in euro by transfer to a euro account (or any other account to which euro may be credited or transferred) maintained by the payee with, a bank in the principal financial centre of any Member State of the European Union, and in any case, in accordance with all applicable laws and regulations.

The Issuer undertakes that, so long as the Notes remain outstanding, it will ensure that, should it maintain a paying agent in a member state of the European Union, such paying agent shall be in a member state of the European Union that is not be obliged to withhold or deduct tax pursuant to the European Union Council Directive 2003/48/EC on the taxation of savings income (the “**EU Savings Tax Directive**”), or any law implementing, or complying with or introduced in order to conform to, such directive.

Notwithstanding the foregoing, presentation and surrender of this Definitive Note shall be made outside the United States and no amount shall be paid by transfer to an account in the United States, or mailed to an address in the United States. In the case of a Definitive Note denominated in US Dollars, payments shall be made by transfer to an account denominated in US Dollars in the principal financial centre of any country outside of the United States that the Issuer or the Issue and Paying Agent so chooses.

2. All payments made by or on behalf of the Issuer under or in respect of this Definitive Note shall be made without set-off, counterclaim, fees, liabilities or similar deductions and free and clear of, and without deduction or withholding for or on account of, taxes, levies, duties, impost assessments or charges (including penalties and interest and any other additions thereto) of any nature (“**Taxes**”), unless the withholding or deduction of such Taxes is then required by law (including under FATCA (as defined herein)). If any deduction or withholding for or on

account of Taxes imposed, levied, collected, withheld or assessed by or on behalf of Singapore or any political subdivision or any authority thereof or therein having power to tax (a “**Tax Jurisdiction**”), will at any time be required to be made from any payments made by or on behalf of the Issuer under or in respect of this Definitive Note, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer shall pay such additional amounts as shall be necessary in order that the net amounts received after such deduction or withholding shall equal the amount which would have been receivable hereunder in the absence of such deduction or withholding, except that no such additional amounts shall be payable with respect to this Definitive Note for or on account of any Taxes, to the extent such Taxes are imposed:

- (a) as a result of this Definitive Note being presented for payment in Singapore;
- (b) as a result of the holder having some connection with Singapore other than the mere acquisition, ownership or holding of this Definitive Note (including, without limitation, the holder being a resident of or a permanent establishment in Singapore) or where the holding or deduction could be avoided by the holder making a declaration or any other statement including, but not limited to, a declaration of residence or non-residence or other similar claim for exemption to the appropriate authority which is required or imposed by a statute, treaty, regulation or administrative practice of the Tax Jurisdiction as a precondition to exemption from all Taxes which such holder is legally capable and competent of making but fails to do so;
- (c) on a payment to an individual pursuant to the EU Savings Tax Directive or any law implementing or complying with, or introduced in order to conform to, such directive;
- (d) as a result of this Definitive Note being presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting this Definitive Note to another paying agent in a Member State of the European Union;
- (e) as a result of this Definitive Note being presented for payment more than 30 days after the First Due Date or, if applicable, the Second Due Date, or the relevant Interest Payment Date or (in any case) the date on which payment hereof is duly provided for, whichever occurs later, (where presentation is required) except to the extent that the holder would have been entitled to such additional amounts if it had presented this Definitive Note on the last day of such period of 30 days; or
- (f) pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (“**FATCA**”).

3. The Nominal Amount of this Definitive Note together (in any case) with interest (including any interest on interest) (if any) thereon at the rate and at the times (if any) specified herein will be paid in full on the First Due Date, unless the maturity of this Definitive Note is extended to the Second Due Date as described in paragraph 4 below, in which case the following will be paid in full on the Second Due Date:

- (a) if this is a Definitive Note issued at a discount, (x) the Nominal Amount plus (y) an additional payment in respect of interest, which interest will accrue on the Nominal Amount during the period from (and including) the First Due Date to (but excluding) the Second Due Date and will be calculated at the same rate used to determine the Interest Factor (as defined below) on this Definitive Note plus 1.5%, and
- (b) if this is a fixed rate interest bearing Definitive Note, (x) the Nominal Amount plus (y) any interest (including any interest on interest) on this Definitive Note payable on the First Due Date, plus (z) an additional payment in respect of interest, which interest will accrue on the Nominal Amount during the period from (and including) the First Due Date to (but excluding) the Second Due Date and will be calculated at the same rate stated on this Definitive Note plus 1.5%.

The additional payment in respect of interest for the period from (and including) the First Due Date to (but excluding) the Second Due Date described above or, if payment is not made on the Second Due Date, to (but excluding) the date payment of the amount due on this Definitive Note is made (with respect to which further interest shall be calculated in the manner described above from (and including) the Second Due Date to (but excluding) the date of payment), is referred to as the “**Extension Payment**”. The “**Interest Factor**”, if this is a Definitive Note issued at a discount, is the discount represented by the difference between the Nominal Amount and the offering price of this Definitive Note.

4. If, on the First Due Date, the Issuer is unable to, or the Issue and Paying Agent determines that there are insufficient funds available to, pay in full on such First Due Date the Nominal Amount plus, if this is an interest bearing Definitive Note, any interest (including any interest on interest) on this Definitive Note payable on such First Due Date, then (a) no amount will be payable in respect of this Definitive Note on the First Due Date, (b) the maturity of this Definitive Note will be extended to the Second Due Date thereof, (c) no amounts will be paid in respect of this Definitive Note until the Second Due Date and (d) the Nominal Amount of this Definitive Note and any interest (including any interest on interest) due and payable thereon and the Extension Payment will be paid on the Second Due Date. For the avoidance of doubt, failure to make such payment on the First Due Date shall not be considered a default on the payment of this Definitive Note.

5. If the maturity of this Definitive Note is extended to the Second Due Date as provided in paragraph 4 and, on the Second Due Date, the Issuer is unable to, or the Issue and Paying Agent determines that there are insufficient funds available to, pay in full on the Second Due Date the Nominal Amount plus, if this is an interest bearing Definitive Note, any interest (including any interest on interest) on this Definitive Note payable on the First Due Date, and the applicable Extension Payment, then the Issue and Paying Agent will on the Second Due Date make a

demand on the Guarantee (as defined below) in accordance with the terms thereof for the Nominal Amount plus, if this is an interest bearing Definitive Note, any interest (including any interest on interest) on this Definitive Note payable on the First Due Date, and the applicable Extension Payment, and the Guarantor, acting in accordance with the terms of the demand made on the Guarantee, will be obligated to pay or cause to be paid to the Issue and Paying Agent, and the Issue and Paying Agent will pay or cause to be paid to the holders of this Definitive Note from the funds obtained from the Guarantor under the Guarantee, the full Nominal Amount plus, if this is an interest bearing Definitive Note, any interest (including any interest on interest) on this Definitive Note payable on the First Due Date, and the applicable Extension Payment, in accordance with the terms of the Guarantee.

6. By purchasing this Definitive Note, or an interest in this Definitive Note, as the case may be, the holder and beneficial owner(s) of this Definitive Note shall be deemed to have (i) appointed the Issue and Paying Agent as its agent for purposes of making any demand on the Guarantee (and waived any conflict of interest that may arise from the Issue and Paying Agent acting in such capacity) and (ii) to the extent that the Issue and Paying Agent shall be able to comply with, or has complied with, its obligation to make a demand on the Guarantee as described in the preceding paragraphs, waived its rights to make such demand under the Guarantee. In the event the Issue and Paying Agent fails to make a demand on the Guarantee in accordance with its obligations, each holder and/or beneficial owner(s) of this Definitive Note shall be able to exercise its right to make a demand on the Guarantee directly in accordance with the terms thereof, which must be made not later than the Claims Deadline (as defined in the Guarantee). If the moneys received pursuant to any demand on the Guarantee are less than the full amount due, such moneys shall be paid *pro rata* to the holders and/or beneficial owners of this Definitive Note. The holder and beneficial owner(s) of this Definitive Note shall also be deemed to have agreed that under no circumstances shall the Issue and Paying Agent be responsible or liable for enforcing the obligations of the Guarantor under the terms of the Guarantee and the relevant Creditor Nomination Letter.

7. If the First Due Date or, if applicable, the Second Due Date or the relevant Interest Payment Date, is not a Payment Business Day (as defined herein) payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day (unless that date falls more than 364 days after the Issue Date, in which case payment shall be made on the immediately preceding Payment Business Day) and neither the bearer of this Definitive Note nor the holder or beneficial owner of any interest herein or rights in respect hereof shall be entitled to any interest or other sums in respect of such postponed payment.

As used in this Definitive Note:

“**Payment Business Day**” means any day other than a Saturday or Sunday which is both (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the relevant place of presentation, and (B) either (i) if the above- mentioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant

Specified Currency or (ii) if the above-mentioned Specified Currency is euro, a day which is a TARGET2 Business Day; and

“**TARGET2 Business Day**” means a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System, or any successor thereto, is operating credit or transfer instructions in respect of payments in euro;

provided that if the Issue and Paying Agent determines with the agreement of the Issuer that the market practice in respect of euro denominated internationally offered securities is different from that specified above, the above shall be deemed to be amended so as to comply with such market practice and the Issue and Paying Agent shall procure that a notice of such amendment is published not less than 15 days prior to the date on which any payment in euro falls due to be made in such manner as the Issue and Paying Agent may determine.

8. The payment obligation of the Issuer represented by this Definitive Note constitutes and at all times shall constitute a direct and unsecured obligation of the Issuer ranking at least *pari passu* with all present and future unsecured and unsubordinated indebtedness of the Issuer other than obligations preferred by mandatory provisions of law applying to companies generally.

9. This Definitive Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof free and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.

10. This Definitive Note has the benefit of a guarantee issued by The Government of Singapore on 1 February 2013 (the “**Guarantee**”), copies of which are available for inspection during normal business hours at the offices of the Issue and Paying Agent referred to above.

11. If this is an interest bearing Definitive Note, then:

- (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Definitive Note falling due for payment prior to the above-mentioned First Due Date remains unpaid on the fifteenth day after falling so due, such fifteenth day shall be deemed to be the First Due Date, and the amounts described in paragraph 3 shall be due and payable on such date, subject to the terms and conditions, including the provision on the extension of payment date set forth in paragraph 4, of this Definitive Note;
- (b) upon each payment of interest (if any) prior to the First Due Date in respect of this Definitive Note, the Schedule hereto shall be duly completed by the Issue and Paying Agent to reflect such payment; and
- (c) if no Interest Payment Dates are specified on the face of this Definitive Note, the Interest Payment Date shall be the First Due Date, subject to the terms and conditions, including the provision on the extension of payment date set forth in paragraph 4, of this Definitive Note.

12. If this is a fixed rate interest bearing Definitive Note, interest shall be calculated on the Nominal Amount as follows:

- (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the First Due Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Definitive Note is denominated in Sterling, 365 days at the above- mentioned Interest Rate with the resulting figure being rounded to the nearest amount of the above-mentioned Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);
- (b) if any payment of interest in respect of this Definitive Note falling due for payment is not paid on the required Interest Payment Date, interest shall continue to accrue on the face amount of such Notes, and shall also accrue on the unpaid interest amount at the interest rate stated upon such Note;
- (c) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an “**Interest Period**” for the purposes of this paragraph; and
- (d) if the payment period is extended to the Second Due Date under the circumstances set forth in paragraph 4 above, the final payment amount, including interest accumulated, shall be the amount as calculated per paragraph 3 above.

13. This Definitive Note shall not be validly issued unless manually authenticated by the Issue and Paying Agent as issue agent.

14. This Definitive Note and all non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

The English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Definitive Note (including a dispute regarding the existence, validity or termination of this Definitive Note). The parties to this Definitive Note waive any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum.

The Issuer (if not incorporated in England and Wales) irrevocably appoints Law Debenture Corporate Services Limited at its registered office at Fifth Floor, 100 Wood Street, London EC2V 7EX as its agent for service of process in any suits, actions, or proceedings (“**Proceedings**”) before the English courts in connection with this Definitive Note. If any person appointed as process agent is not or ceases to be effectively appointed to accept service of process on the Issuer’s behalf or ceases to be registered in England, then the Issuer will appoint another person as its agent for service of process in England in respect of any Proceedings relating to any dispute arising out of or in connection with this Definitive Note. Nothing in this paragraph 14 shall affect the right to serve process in any other manner permitted by law.

The Issuer irrevocably and unconditionally waives with respect to this Definitive Note any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence and irrevocably and unconditionally consents to the giving of any relief or the issue of any process, including without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any Proceedings.

15. No person shall have any right to enforce any provision of this Definitive Note under the Contracts (Rights of Third Parties) Act 1999 but this does not affect any right or remedy of any person which exists or is available apart from that Act.
